The Important Details

We have many catering options available to choose from for your event. This includes canapés, three course options or event just casual light snacks. Please see our catering menus for more information including our catering package pricing.

Welcome drinks, toast drinks and table wine are also options available for more formal events. We are very flexible on the inclusion of prepaid drinks packages for your guests and the drinks catering team will discuss this in much more detail with you. For our drinks pricing please refer to the drinks package menu.

Additionally, you are more than welcome to contact Jamie at The Tow Bar (mobile bar and events company) for more clarity on all things bar related. 07340811505.

We work closely with many live bands and musicians, we can include acoustic artists, Dj's and many genres of musicians. From Saxophonists to tribute bands we can point you in the right direction. Additionally, you may not require any entertainment. If you have any entertainment queries please feel free to get in touch to discuss further.

Decorative upgrades are also available, we can add features to your package which will suit your event theme and meet your taste. For more information again please contact us where we can begin to develop decorative features accordingly.
